MINIMUM GRADUATION REQUIREMENTS FOR BEHREND COLLEGE MAJORS/MINORS: Students graduating from Behrend College baccalaureate majors/minors must achieve an overall grade-point average of at least 2.0 and earn a C grade or better in all 300- and 400-level courses within these same Prescribed, Additional, and Supporting courses. If a student receives a grade below C, he/she must repeat that course, or a school-approved alternative, and earn a grade of C or better.

MATH 001 through 004, ENGL 004 and 005 courses cannot be used to meet Baccalaureate degree requirements.

TRANSFER CREDITS: At least 50% of all business credit hours required for the degree must be completed at Penn State Erie. Students may transfer a maximum of six (6) credits of 300- or 400-level business coursework from another academic institution.

United States Cultures (US) and International Cultures (IL) Requirement: Students admitted to baccalaureate or associate degree status before summer 2005 must complete a 3-credit course that is US, IL, or both US and IL. However, students who have fulfilled their Intercultural and International Competence requirement with a course designated as DF or GI are exempt from this requirement. Any semester- or year-long Penn State approved study abroad program can be used to satisfy the requirement.

Students admitted to baccalaureate degree status after spring 2005 must complete 3 credits in US and 3 credits in IL. If a student takes a 3-credit course that is both US and IL, to complete the requirement, he/she must take another 3-credit course that is US, IL, or both US and IL. Education abroad courses and other credit-bearing experiences such as internships that meet this requirement, will be designated as US, IL, or both US and IL.

"W" COURSES: Students must complete at least 3 credits of writing-intensive course work. These courses must be selected from "W" courses offered within the major or college of enrollment. For business majors, this requirement is met by taking MANGT 470W.

LANGUAGE REQUIREMENT: Students who have not met the admission requirement of two units of a high school foreign language **must** complete a college level-one foreign language within their first 60 credits. This is a pre-admission requirement – credits will not count toward degree requirements.
