PROOF OF IDENTITY OF A MINOR

The purpose of this form is to provide a means by which a parent or guardian can attest to the identity of a minor (an individual who is under 18 years old). In the event that the parent/guardian cannot accompany the minor, this form provides a way for Penn State to affirm the minor's identity. The minor's identity must be verified at the time he/she is issued a Penn State Short Term Access Account (STAA). This form will not be retained by Penn State. Once the minor's identity is verified by Penn State Staff, this form will be shredded at the conclusion of the camp season.
